4 Interest

4.1 Credit Interest

The interest rate is variable. This means that any rate which is stated in this Product Schedule may be changed by us at any time. Any change to an interest rate will be notified in the press. You can obtain information about our current rates by visiting our website at www.bankwest.com.au or by calling the Bankwest Business Customer Support Team on 13 7000.

Credit interest is calculated at the interest rate applicable for the full balance.

The current rate of credit interest is 0.01% p.a. (or as otherwise agreed).

Credit interest is usually paid monthly to the account; however annual interest payments can be made.

We will credit this interest to your account on the last business day of the month. If you request annual interest payments, we will credit this interest to you on the last business day of the month you have nominated. We will pay you this interest calculated up to and inclusive of the second last business day of the period you have nominated. Interest accrued after the second last business day will be paid in the next period.

4.2 Debit Interest

The interest rate applicable to your overdraft is the sum of the AgriOne Overdraft Reference Rate (currently 8.97% p.a.) plus a margin dependent on the security offered. Should the debit balance exceed the credit limit, or if the account is overdrawn without prior arrangement, debit interest will be charged at the rate being the aggregate of the AgriOne Overdraft Reference Rate plus 4.50% p.a.

Interest is debited to the account on the last business day of each month.

You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claim Scheme can be obtained from <http://www.fcs.gov.au>.
